

## EFX<sup>®</sup> 761 Elliptical Fitness Crosstrainer<sup>®</sup>

The EFX<sup>®</sup> 761 combines essential reliability and ease-of-use with touchscreen technology at a value just right for you. This elliptical is designed to ensure easy cleaning and maintenance for you while providing a comfortable and effective workout for your exercisers. The simple, clean design holds up under heavy commercial use, ensuring your investment will last into the future.

The 760 line touch screen console injects contemporary design and a premium networked fitness experience to the cardio floor, at a mid-tier price.

Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content and new features without any action or expense.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

## Product Features

- 1. Handlebars** - With moving handlebars exercisers can push and pull with their upper body to achieve a total body workout.
- 2. Console** - The 760 Line console features personalized viewing and remarkable clarity of TV and internet options that exercisers crave, all in a 10" screen. With the ability to "favorite" selections for the future, exercisers can customize their workout experience based on what's important to them.
- 3. Fixed Ramp** - Ramp incline optimally set at 20 degrees for an effective lower body workout.
- 4. Covered Rear Drive Housing** - Experience easy maintenance with a covered rear drive housing that enables quick access for cleaning and service.
- 5. Active Status Light™** - To increase up-time an external status light lets you and your staff know at a glance the operating condition of your elliptical and when to perform life-extending maintenance.
